PRESENTED BY:

To the Honorable Senate and House of Representatives of the Commonwealth of Massachusetts in General Court assembled:

The undersigned legislators and/or citizens respectfully petition for the passage of the accompanying bill:

An Act promoting consumer choice and competition for cable service.

PETITION OF:

NAME:

Steven C. Panagiotakos

DISTRICT/ADDRESS:

First Middlesex

[SIMILAR MATTER FILED IN PREVIOUS SESSION
SEE SENATE, NO. S01975 OF 2007-2008.]

The Commonwealth of Massachusetts

In the Year Two Thousand and Nine

AN ACT PROMOTING CONSUMER CHOICE AND COMPETITION FOR CABLE SERVICE.

Be it enacted by the Senate and House of Representatives in General Court assembled, and by the authority of the same, as follows:

1 SECTION 1. Findings.

2 Whereas Massachusetts' consumers benefit from expanded choice and competition for
3 cable television services, and

4 Whereas, increased investment and the potential for competition in the cable service
5 market through the provisioning of new communications services and deployment of advanced
6 communications infrastructure, including fiber optic technologies, further enhances economic
7 opportunities, smart growth, the delivery of health care services, improved public safety,
8 education and human services and the overall health and well being of the residents of the
9 Commonwealth, and

10 Whereas, modifying existing cable service franchising laws through the enactment of
11 new standards and procedures that provide consumers with expedited access to a competitive
12 facilities-based cable market is warranted in this state,

13 The General Court finds that a local franchising process that speeds innovation,
14 technology deployment, and competition while sustaining local programming via public,
15 education and government channels through a predictable set of consumer-supported fees is in
16 the public interest.
